

VNX WHITEPAPER: \$VNX (VENOM)

****Tagline:**** NO MERCY. NO RUG. JUST VENOM.

1. ABSTRACT

\$VNX (Venom) is a community-owned memecoin launched with absolute fairness, transparency, and a venomous mindset. Founded by a developer who could not buy his own supply, \$VNX operates on a no-dev-wallet, no-rug model. It's fast, fierce, and built for the people.

2. INTRODUCTION: THE VENOM STORY

This project started with a belief: crypto should be trustless, fun, and community-driven. The founder—a young dev from Bangladesh—launched \$VNX without owning a single token, ensuring true fairness from day one. The snake symbolizes our speed, precision, and relentless energy.
